- Commitment to promoting the positive image Lincolnwood aquatics

PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is required to use hands to finger, handle or feel objects, tools, or controls. The employee is often required to walk, sit, stand, reach with hand and arms, talk, and hear. The employee may lift and/or move up to 30 pounds.

WORK ENVIRONMENT:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Employees must be able to sit or stand for an extended period of time. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. The noise level in the work environment varies between moderate and high. Frequent exposure to natural and seasonal weather conditions as well as insects while completing job duties.

SAFETY:

All employees are expected, as a condition of employment, to adopt the concept that the safe way to perform a task is the most efficient and the only acceptable way to perform it. Safety adherence to performance will be considered an important measure of employee performance evaluation. As such, the employee must:

- Comply with established safe work rules and the special instructions of the supervisor
- Report all accidents and injuries immediately and cooperate in all accident and injury investigations, supplying supervisors with full and complete information
- Submit recommendations for safety and efficiency, as well as report defective equipment and unsafe conditions
- Know their exact duties in case of fire or catastrophe

- Use safety equipment provided for personal use in performing daily work assignments
- Only operate equipment trained and authorized to operate
- Provide public protection from unsafe conditions and hazards resulting from municipal work operations
- Participate in special safety activities, as designated, such as Safety Committees, Job Safety Analysis, special training, etc
